

Lifest TN 2022

Merch Vendor and Exhibitor

Terms & Conditions

Selection Process Details

The number of new applications received each year is greater than the space available. Many vendors return each year. Unfortunately, not all applicants will receive a space inside Marketplace.

Submitting an application does not confirm your space and does not constitute a contractual agreement. If your application is selected, you will be notified via email and payment will be processed with receipt provided.

Contract

The application and agreement properly executed by a merch vendor/exhibitor shall, upon written acceptance and notification by Lifest, constitute a valid and binding contract between merch vendor/exhibitor and Lifest.

All applications must be filled out completely and provide payment information. **YOUR APPLICATION WILL NOT BE FINAL UNTIL PAYMENT IS RECEIVED.**

Booth Rental and Commission

Exhibitors and Merch vendors are in the Marketplace tent. Booth space for either Exhibitors or Merchants is \$650 for 8x10 booth. **Merchandise vendors must also pay 25% commission on pretax gross sales after \$2,600 for 8x10 booth.** Vendors must collect and pay Tennessee sales tax.

Payment for booth space must be received before you are guaranteed booth space, no exceptions. Booths are first come, first serve. By applying, you are agreeing to all Lifest Music City Terms & Conditions.

Reconciliation/Settle-Up

All merch vendors are required to fill out a daily income report that must be submitted at the end of the festival. **Even if you do not owe Lifest a commission, you must still turn in a completed reconciliation form.** If you leave the festival without checking in with management, you will not be invited back.

Settle-up for merch vendors begins Saturday evening at 9pm by a Lifest Music City representative.

Proof of Insurance

Lifest requires proof of insurance from each organization in the Marketplace. Life Promotions must be named as additional insured. Proof of insurance must be sent to Life Promotions by June 16, 2022. See application for details.

Each Merch vendor needs to submit items intended for sale, including prices, at the time of application. Lifest reserves the right to limit the number of vendors selling certain items to encourage diversity.

Merchandise sales are only allowed at the merchandise booths, no food items are allowed.

All merch vendors are responsible for providing their own change and startup money.

Exhibitors are not allowed to sell anything or receive money at your booth. Exhibit booths are for informational purposes only. The information distributed at your booth is to be about your organization exclusively. Distribution of catalogs and order forms are allowed, but no payments can be received at Lifest.

Banners, flyers, posters, and other material are NOT to be posted or distributed anywhere on the festival grounds except within your vendor area.

Drawings and giveaways are allowed if there is no entry fee or cost for eligibility before, during, or after the event. All vendor activities must be held within booth space.

Any giveaway items need to be approved by Lifest before the event (contact Julie Johnson for approval). Items not allowed to giveaway:

All booth areas must be kept reasonably clean and clear of clutter. It is your responsibility to dispose of your garbage. A map will be given to you at the event showing the location of dumpsters.

If music is played at your booth, please keep it at a level that does not interfere with neighboring vendors or activities.

Acceptance/Assignment of Exhibit Space

Lifest reserves the rights to refuse applications that do not meet the standards set for the festival. Applicants that are not approved will receive a full refund. Vendors will be placed within the Marketplace based on the date of the application and payment.
